

PARENT COMMITMENT

We, the undersigned parent(s), hereby make this commitment as we enroll our child(ren) in St. Francis Xavier Catholic School.

We understand that the mission of the Catholic School is to assist parents in training their children in the Gospel message of salvation, as taught by the Roman Catholic Church.

As parents, we realize that Religious Education can only be built upon the prayer, faith, and gospel life begun by us with our children in our family at home. We commit ourselves to be followers of Jesus and His Church.

We commit ourselves to:

1. Grow in our personal prayer life and foster prayer as a major process of growing closer to Jesus as a family.
2. Teach the importance of celebrating Mass on every Sunday and Holy Days of Obligation by our presence and our participation with our children in the Liturgy.
3. Model for our children the importance of service to others by participating in all school activities and fundraising programs.
